Acts
1 & 2 Timothy
Titus
Jude
Revelation

*Regarding the ordering of the books, in the Old Testament the prophets have been placed closest to the history books in which the events occurred. In the New Testament the Gospels are spread out, and interspersed with the epistles.

Reading a chapter a day from each book will take you through the Old Testament in two-and-a-half years, the Psalms twice a year, and the New Testament one-and-a-half times a year.
